

3. Choose one of the options and connect the website to your wallet.

4. Choose the cheapest Lot (XARB PVT SALE 1, XARB PVT SALE 2, etc...), from the bottom to the top, which has not yet been fully negotiated and click on this option.

5. In the “Join The Pool” window, enter the value of USDT and acquire the tokens by clicking on the “Place a Bid” button.

OBS1 .: Your wallet must contain USDT, otherwise the system will not enable the “Join The Pool” window;

OBS2 .: Your XARBs Tokens will only be available in your wallet on 01/01/2022 at 12 noon, but the purchase can be verified by your wallet movement history at bscscan with Bounce wallet (0x50809ba1cac76e9c73f5c0c77bb7afeb03ac1600)
